

Barack Obama

Dear Pastors,

This campaign has been on an incredible journey during the past year. Americans of every color and class have come together to help to our efforts and the results have been nothing short of astounding. Leaders like you have been at the forefront of this movement for change. As we compete to win in Texas, your support will be critical to winning a victory here on March 4th.

The large margins of victory in previous contests were due, in large measure, to the active participation of pastors and people of faith. I encourage you to do all you can to engage our community in these elections. Regardless of whom they ultimately support, the church must be an active participant in this process.

Texas is a unique state in so many ways and its process for selecting a presidential nominee reflects that. Known as the "Texas Two Step," your state requires voters, with proper identification, to cast their ballot between 7:00am and 7:00pm on Tuesday, March 4th, or vote early from now until February 29th. Secondly, Texans should then return to caucus at 7:00pm on March 4th at their election day polling location. Caucusing is easy! It simply requires each voter to present a valid ID card and sign in.

I ask for your support as our campaign works in communities around this great state. My staff is available to serve as a resource to you and answer any questions you may have. With your help, and God's, I believe we will see a marvelous victory here on March 4th.

With best wishes,
